ImagineAbility Ink

Important Cafeteria News

ImagineAbility's cafeteria provides hot, healthy and delicious meals every day. As you may or may not know, we subsidize the cost of meals. It has been many years since there has been a price increase even though the cost of food has risen quite substantially. We find ourselves in the position where we will have to increase prices but will do so gradually.

On May 2nd there will be a 50 cent increase, raising the price of the meal from \$1.50 to \$2.00. On June 30th, there will be another 50 cent increase which will increase the price of the meal to \$2.50.

At this point, everything else offered in the cafeteria will remain the same price. As always, two week menus will be printed in ImagineAbility Ink which is also available online at www.imagineability.ca.

Hard Work Pays Off

A few months ago, Cory Hansen moved on from recycling at Manitoba Hydro 360 Portage to pursue his dream of working at HMV.

His new placement began a few months ago working one day a week at the Portage Place location. His commitment to hard work has progressed to three days a week at Polo Park Shopping Center.

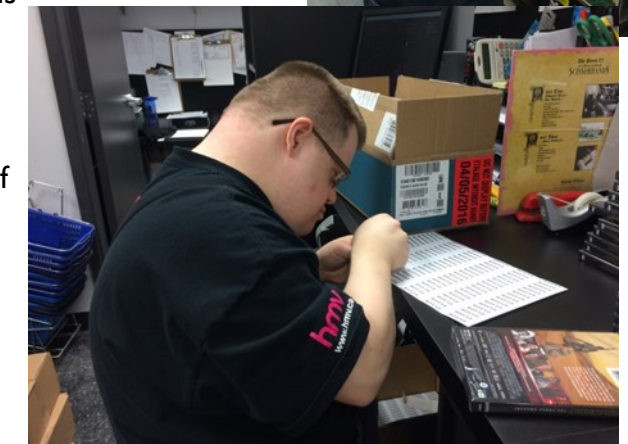

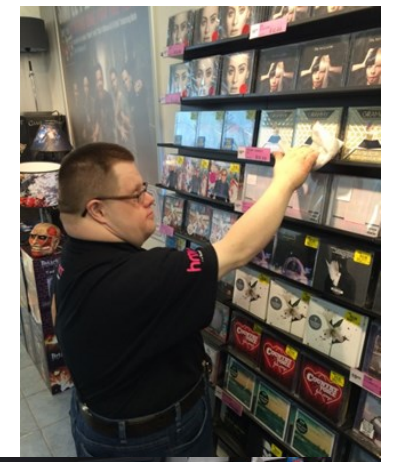

Some of his recent accomplishments is mastering the T- Shirt fold, set up sale and display stands, tag and organize merchandise and general cleaning duties. He's achieved all of this while learning more about

music and building new relationships.

Well done in pursuing your goals Cory and making great connections in the community.

We wish you continued success on your journey of employment.

- Alison Griffith

Events
