# ImagineAbility Ink

## Important Cafeteria News

ImagineAbility's cafeteria provides hot, healthy and delicious meals every day. As you may or may not know, we subsidize the cost of meals. It has been many years since there has been a price increase even though the cost of food has risen quite substantially. We find ourselves in the position where we will have to increase prices but will do so gradually.

On May 2nd there will be a 50 cent increase, raising the price of the meal from \$1.50 to \$2.00.

On June 30<sup>th</sup>, there will be another 50 cent increase which will increase the price of the meal to \$2.50.

At this point, everything else offered in the cafeteria will remain the same price. As always, two week menus will be printed in ImagineAbility Ink which is also available online at [www.imagineability.ca](http://www.imagineability.ca).

## Brock White

Life is full of possibilities; and so it was in 2007 that we embarked on a journey that would see Andrew Singer, David Moir, Melanie Eliuk and Ronald Corlett partnership with Brock White in establishing a working relationship that develops friendships and exposure to different work experiences over the years.

It has been great work experience for us all! We will take the skills we have developed; teamwork, cooperation, work ethic, accountability and be able to transfer them in our future endeavours.

A big THANK YOU to the Brock White team!
