Evolve Art Show

ImagineAbility's Art Zone is hosting its first ever Art Show & Fundraiser, "Evolve", which is being held June 23 from 6:00 to 9:00 at the Gas Station Theatre, 445 River Ave.

Over the past 10 months, Art Zone has developed from a simple rock-painting project into the buzzing, creative space that it is today. Centered at 500 Madison Street, Art Zone offers ImagineAbility service-users a variety of art-based experiences, from art lessons to local art gallery tours. To date, Art Zone artists have produced hundreds of artworks, which they are ready to share with the world! The *Evolve Art Show & Fundraiser* will allow artists with disabilities to show and sell their works, allowing artists to showcase their art and revealing their individual evolution as artists. Proceeds from *Evolve* will go towards Art Zone supplies, as well as directly back to the artists themselves. From a grass roots project to a service filled with creativity and mindfulness, Art Zone has grown in popularity and our service-users would like it to continue to flourish.

Please, attend the Evolve Art Show & Fundraiser June 23 and support Art Zone artists! See Jeannie for tickets. Call 204-954-8455 or email jalexander@imagineability.ca
Hope to see you there!

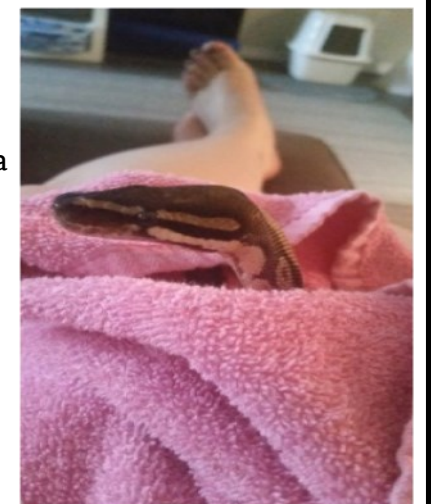

New Face at William

Hello ImagineAbility! My name is Jon; I started working at the William location on May 16th, 2016. I also volunteer with Manitoba House, an inner city after-school children's program, and am pursuing a career in social work. Some of my hobbies include photography, canoeing and watching documentaries. I'm excited to work here and meet everyone!

Animal Therapy with Valla

Are you scared of snakes? Here at William we have a regular scaly visitor named Valla! Valla is a three year old ball python that loves being around people! Valla makes a great therapy pet, feeling the pressure of her muscles on your shoulders as she slithers around can be a great tension release. So, if you feel like holding a 4ft long ball python, come to William and talk to Mandy.
